

**You can do
it yourself,
but you don't
have to.**

**IKEA® Professional Kitchen Services.
We'll take it from here.**

This is a reference guide created to better assist customers when purchasing products. While a high level of accuracy has been sought in its preparation, we cannot guarantee that there are no errors or omissions nor will we be bound by them. Availability may vary by store and prices are subject to change. Please see an IKEA co-worker or visit www.IKEA.ca/kitchenservices for more information.

Measuring service

No matter what size your space, your dream kitchen needs to fit just right. Ask us about our in-home measuring service. Our team of professional independent service providers will come to your home and take all the measurements you need for the perfect kitchen set up.

Measuring service includes:

- Room dimension (height, length, width)
- Dimension and position of windows and doors
- Width of all windows (including sill) and their height above the floor
- Position of sloping ceilings
- Position of electric, water and gas connections and other fixtures, e.g. pipes, radiators, etc.
- Confirmation that all room corners are square
- Confirmation that all included walls are plumb
- All required dimensions will be entered into the IKEA Home Planner, and saved to your account under a unique user profile within 24 hours

IKEA® service provider

Crafted, skilled and professional. As an IKEA customer, you have the right to expect that your kitchen project will be completed with the greatest skill and care. Our experienced, professional independent service provider not only have skillful hands but they also understand the inherent methods of installation required by the IKEA cabinet system. There is no question that correct installation will add years to the useful life of your kitchen. With our help, you'll soon be cooking in the kitchen of your dreams!

5-year warranty

Installation warranty is provided by our professional independent service provider and is for the installation of IKEA kitchen products only. Installation for products not from IKEA is warranted for one year. In the event of defects in workmanship and material, and the failure of the products supplied by an independent service provider to conform with the agreement or warranty, an independent service provider will repair or replace said product or materials; provided, that the defect or malfunction was not due to accidents, alteration by the customer, misuse, abuse or neglect. See an IKEA co-worker for more details.

Installation price quote

Upon completion of your kitchen plan on our IKEA Home Planner, we can schedule a free installation price quote. An experienced kitchen remodelling professional from an independent service provider will contact you and provide an installation price quote for your kitchen installation/remodelling needs.

Installation price quote includes:

- Confirmation of the scope of a complete kitchen installation
- Confirmation of the time schedule of a complete kitchen installation
- Confirmation of the price of complete kitchen installation
